WHOLESALE PRICE LIST EARLY HARDY GARDEN CHRYSANTHEMUMS
Spring 1953

Varieties in this list have been especially selected for vigor, hardiness and beauty. They include outstanding varieties from plant breeders in the northern states and especially Wyoming, Oregon, Nebraska, Minnesota, New Hampshire and Manitoba, Canada. They are rugged, early, and especially well adapted for cold northern areas.

Prices: Prices listed are for 10 rooted cuttings of one variety; 25 of one kind at 2X the 10 rate on varieties marked *; 100 at 7X the 10 rate for varieties marked **. Cash with order please or 25% down and balance by date of shipment. No charge for packing but please make orders for \$3.00 or more.

Shipments: Express collect or add 10% if to go by prepaid mail. Mail shipments at purchaser's risk. Necessary claims on express shipments to be made to carrier. Orders accepted in rotation. Please indicate the preferred, earliest and latest date as March 10 (1-20) and give as much leeway as possible as it helps us a great deal in filling orders.

Descriptions: Origin refers to breeder as Skinner (Manitoba, Canada); Longley (Univ. of Minn.) Kraus (Chicago and now Oregon State); U.N.E. (Univ. of N.H.) etc. Bloom starts: refers to New Hampshire under normal conditions. Height refers to well grown plants the first year as: D-Dwarf under 12"; S-Short (12-18"; M-Medium - 18-25"; T-Tall 25" up.

Size flower: S-small under 1 1/2"; M-Medium-1.5"-3"; Large over 3"

Responsibility: References: Exeter Banking Co., Exeter, N. H. Any official in the College of Agriculture, University of New Hampshire, Durham, N. H. such as Head Horticultural Dept.; Head of Agri. Econ. Dept. Financial responsibility shall in no case exceed the amount paid for the plants. Any claims which you believe to be our responsibility should be made promptly.

Other Varieties. We have many varieties not here listed. Some are available in our retail list which is available for the asking. We shall also be glad to locate other varieties for you as we are in touch with concerns listing almost all varieties. We list very few so-called English varieties because we find most of them not well adapted to our conditions in that they are too late, too tender or require staking.

Yours very truly,
